## of the American Microscopical Society

---

### MINUTES OF THE WASHINGTON MEETING.

---

The Society was called to order by Vice President Elrod at 3:30 p. m. Dec. 27, 1911.

The Executive Committee recommended for passage at this meeting the proposed amendment to the constitution, making Article VII read as follows:

The initiation fee shall be \$3, and the dues shall be \$2 annually, payable in advance. But any person duly elected may upon payment of \$50 at one time, or in installments within the same year, become a life member entitled to all the privileges of membership, but exempt from further dues and fees. All life membership fees shall become part of the Spencer-Tolles Fund, but during the life of such member his dues shall be paid out of the income of said fund. A list of all life members and of all persons or bodies who have made donations to the Spencer-Tolles Fund in sums of \$50 or over, shall be printed in every issue of the *Transactions*. The income of said fund shall be used exclusively for the encouragement and support of original investigations within the scope and purpose of this Society. The principal of the fund shall be kept inviolate; *provided, however, that nothing in this constitution shall prevent the Executive Committee at any regular meeting from transferring the Spencer-Tolles Fund to a University, or other incorporated institution for original research, under such conditions as shall safeguard the permanence of the Fund, and its application to the general purpose for which it was intended; such power to be vested in the Executive Committee only after securing, and in obedience to, the expressed will of a majority of the constitutional members of the American Microscopical Society, or after the constitutional failure of said Society.*

This report was accepted and the proposed amendment unanimously supported.

Owing to the fact that only one session was contemplated, By-laws V and VI were suspended. The meeting, as a committee of the whole, nominated the following officers:

President: Professor F. D. Heald, University of Texas.

First V. Pres.: Professor F. Creighton Wellman, Tulane University.

Second V. Pres.: Mr. Edward Pennock, Philadelphia, Pa.

Custodian: Mr. Magnus Pflaum, Meadville, Pa.

Elective Members of Executive Committee: Professor A. M. Reese, University of West Va.; Professor F. C. Waite, Western Reserve University; Professor W. F. Mercer, Ohio University (Athens).

Members of the Council of the American Association: Prof. T. W. Galloway, James Millikin University; Dr. Brayton H. Ransom, Bureau Animal Industry, Washington.

To fill vacancy in Spencer-Tolles Committee: Professor S. H. Gage, Cornell University.

The Society instructed the Secretary to cast the ballot for these nominees.

The reports of the Custodian and Treasurer for 1911 were read and referred to an auditing committee consisting of Professor H. B. Ward, Professor T. J. Burrill, and Mr. P. A. Lehenbauer.

The President and Secretary were appointed a committee to approve the minutes for publication.

Society adjourned.

MORTON J. ELROD, *President*.

T. W. GALLOWAY, *Secretary*.

## FINANCIAL STANDING

The secretary is glad to be able at this time to publish the financial standing of the Society to the beginning of the present year. This includes the reports of the treasurers for a period of 5 years. The report of Treasurer J. C. Smith was made promptly at the close of his term of office, and was audited and approved shortly afterward. Its tardy publication is in no way chargeable to Mr. Smith, and is an all too poor recognition of his accuracy and painstaking service to the Society.
